

Straight drop blinds
/ outdoor blinds

Straight drop blinds / outdoor blinds

Straight drop, or verandah blinds, are a traditional style of blind that offer great versatility through a choice of operation methods and lock down options.

The Pinz Collection features straight drop blinds in three configurations including the popular gearbox operation, spring roll up and fixed timber batten top with rope and pulley.

Straight drop blinds are easy to use, budget conscious and available in a wide variety of fabric choices making them suitable for almost every type of installation.

Maximum size (mm)
